## **Motivation form**

Please answer the four questions below keeping the programme of your choice in mind. When applying for more than one study programme, please upload a separate Motivation form for each programme. Make sure you substantiate your motivation for the particular programme you are applying for and avoid generalities. Note: for one year MA programmes the Motivation form is not a selection criterion. It can however help you and us determine whether the programme you applied for is a good fit for you.

Your first and last name	
1. What study programme are you apply	ying for?
